Occupational limits, if available are listed in Section 8.

Section 4: First-Aid Measures

Description of first aid measures

Eyes	Rinse eyes with water. Remove any contact lenses, and continue flushing eyes with plenty of water for several minutes. Seek medical attention if irritation develops or persists.
Skin	Not applicable.
Ingestion	Give 3-4 glasses of water, but DO NOT induce vomiting. If vomiting occurs, give fluids again. Get medical attention to determine whether vomiting or evacuation of stomach is necessary. Do not give anything by mouth to an unconscious or convulsing person.
Inhalation	Not applicable.

Most important symptoms/effects, acute and delayed

Potential acute health effects

Eye contact	Direct contact may cause irritation.
Skin contact	No irritation or reaction expected.
Inhalation	Not applicable.
Ingestion	(Abnormal route of entry) Ingestion may cause gastrointestinal irritation with upper abdominal pain, vomiting, and diarrhea. However, there may be no symptoms at all.

See toxicological information (Section 11)

Section 5: Fire-Fighting Measures

Extinguishing media

Flash Point and Method:	72°F/22°C (Seta Flash)
GENERAL HAZARD	Vapors may be heavier than air and may travel along the ground long distances to an ignition source and flash back. Closed containers may explode in a fire. If involved in a fire, it can release small quantities of toxic hydrogen fluoride and carbonyl fluoride fumes.
EXTINGUISHING MEDIA	Use alcohol or multi-purpose foam, dry chemical, or CO2. Water may not be effective. Do not use a direct stream; use only as a fog to absorb heat or to protect structures.
SPECIAL FIRE FIGHTING INSTRUCTIONS	Move containers from area if it can be done without risk. Cool fire-exposed containers with water from side.
FIRE FIGHTING EQUIPMENT	As in any fire, wear NIOSH/MSHA approved, pressure-demand self-contained breathing apparatus and full protective gear.

Section 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

Avoid all sources of ignition.	Spill area will be slippery.
--------------------------------	------------------------------

Absorb spills onto inert material and dispose in appropriate manner. Water clean up and rinse.

Section 7: Handling and Storage

Precautions for safe handling

Protective measures	Not Applicable
Conditions for safe storage including any incompatibilities	Keep away from fire or flame. Store at normal room temperature away from reach of small children. Keep containers sealed. Use older containers first.
