

2-Door Warmers / Merchandisers

These versatile 2-Door Warmers / Merchandisers are ideal for front or rear counter applications. The operator side has the controls and a door for easy loading. The customer side door makes it a self-serve unit. The adjustable thermostat makes this unit ideal for any application. The three adjustable chrome-plated racks can be placed flat or sloped and are removable for easy cleaning. Attractive Graphics help to create impulse sales. Stainless Steel and Aluminum construction provides durability and ease of cleaning.
