

# Food Delivery

*"Not every meal happens in-house"*

# Your customers' experience is most important.

That's why we put some serious work into our WinGo™ insulated food delivery bags, so the magic made in the kitchen can maintain its flavor, integrity, and quality when holding to-go orders or traveling across town.

# Anatomy of a WinGo Bag™

Waterproof liner prevents leaking & is easy-to-clean

High-performance insulation retains ideal temperature for longer

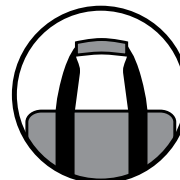

Moisture-resistant exterior prevents bacteria, mold & odors

Multiple pockets for storage & branding

Reinforced bottom for stability

Multiple heavy-duty carrying straps for delivery & storage options

Reflector strip for safety

## Overall Features & Benefits

**Perfect Temperature** retention, holding to-go orders & maximizing the delivery range

**15% Better Efficiency** due to a thick layer of poly-batting insulation to keep hot foods hot while in transit

### Maintain Temperature Longer

High-performance insulation helps retain the heat, keeping food warm

Insulated flaps on pizza bags to retain temperature

Closing flap and zipped lid flaps for extra insulation

### Built To Last

Commercial grade, easy-open zippers and Velcro

Moisture resistant exterior prevents bacteria, mold & odors

Waterproof liner prevents leaking & is easy to clean

Integrated reinforced bottom for extra stability & rubber feet reduce wear

## Overall Features & Benefits

**Outstanding Performance**  
and durability that lasts  
over time

**30% Less Expensive**  
on average vs. the  
competition

## Driver Safety, Comfort & Branding

Reflector strip  
for nighttime  
safety

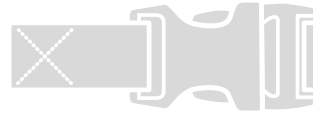

Anchor strap to secure  
bag - ideal for bike  
and scooter delivery  
*Cord not included*

Heavy-duty straps &  
handles for strength  
and comfort

Window pockets  
for branding

## Storage & Handling

Front & side pockets  
for extra storage of  
pens, mobile device,  
menus or slips

Hanging loop  
for drying

Polyester divider for  
fast & easy clean-up

Bags fold easily for  
compact storage

## Pizza Bags

BGPZ-1909 (M)

BGPZ-2109 (L)

*Take your service to the next level with high performance insulation and comfortable carry features that deliver from oven to table!*

*The WinGo™ Premium Pizza Bag is available in sizes that fit from 3 to 4 pizza boxes, maximizing efficiency and storage space for restaurants of any size.*

*Constructed from sturdy 3-layer fabric, this premium pizza bag is durable and secure, maintaining the food temperature for longer without condensation buildup.*

- Heavy-duty locking clips to keep product secure
- Multiple straps to secure bag when unloading and hanging loop for storage
- Insulated flaps help retain temperature
- Pizza box capacities: (M) holds (4) 16", or (L) holds (3) 18"

## Delivery Backpack

*Delivery on the GO has never been easier.*

BGDB-1616

- Adjustable padded backpack straps, ideal for bike and scooter delivery
- Integrated frame for lightweight bag stability
- Clear window pocket with zipper closure for storing slips, menus or custom branding
- Holds up to (8) medium-size containers

## Catering Bags

Ensure a delicious catering experience for your customers, with the WinGo™ Premium Catering Bag, available in the perfect fit for every meal!

These supreme catering bags offer high density insulation to protect food temperature and quality from kitchen to table.

Constructed with heavy-duty sewn-in carry straps, built-in rubber feet to prevent wear and tear, and clear pockets for slips or branding.

This delivery solution is engineered for savings and functionality.

- Removable 12 compartment divider to keep beverages, soups and other liquids upright and organized (*divider comes with BGCB-1709 only*)
- Integrated reinforced bottom for stability
- Built-in rubber feet reduce wear and tear over time
- Anchor strap to secure bag - ideal for bike and scooter delivery (*cord not included*)
