New Product

PresentaBowls Pro™ Black PP Square Bowls

Feature	Advantage	Benefit
Polypropylene Plastic Base	Resists cracking or breaking	Reduces customer complaints due to cracked sidewalls
Microwaveable Base	Allows foods to be microwaved	Increases customer satisfaction by providing a hot meal experience
Versatile	Permits use for hot and cold food applications	Increases operational efficiency by reducing inventory
2 Lids Fit 7 Bowl Sizes	Less confusion and reduced inventory	Increases operator efficiency in addition to saving space and money
Durable Sidewall	Provides strength while lidding container	Increases operator efficiency by reducing packaging time
Perimeter Seal	Prevents leaks from wet foods such as salad dressings & sauces	Reduces cleaning costs due to mishaps, increasing operator profits
Recessed Stacking Platform on Lid	Provides greater stability of merchandising displays	Reduces operator cleaning costs from mishaps due to unstable stacking
Stacking Alignment Rings on Bowl	Aligns the product when stacked and allows for easy one-hand separation	Reduces operator costs and increases operator efficiency
Off-Set Opening Tabs on Bowls and Lids	Makes container easy to open	Increases customer satisfaction by providing easy opening experience
Separation Lugs on Lid	Allow for easy, one-hand separation of nested lids	Increases operator efficiency by speeding up handling of lids, thereby increasing profits
Grippers on Opening Tabs on Bowls and Lids	Provide secure grip when opening bowls	Increases customer satisfaction by providing for ease of use, increasing operator sales
Squat Bowl Design	Provides greater product visibility	Simplifies customer browsing through visibility of product, increases impulse sales
Dome PET Lid	Provides product visibility and ample room for high-mounded food items	Increases impulse sales and enhances merchandising
Caution Statement on Lid	Allows visible direction for microwaveable applications	Increases customer satisfaction by providing easy to follow instructions
Microwaveable Statement on Bowl	Provides identification for microwaveable applications	Educates customers by providing easy microwaveable identification
Unique Crystal-Like Design on Bowl	Allows for pre-packaging with upscale appearance	Enhances operator appeal & image due to superior look
