

Popcorn Machine Carts

Increase your sales and convenience with a spoke-wheel cart. Carts provide easier access, better merchandising and great mobility. Our sturdy, all-steel construction carts – custom designed for Paragon popcorn machines – are finished with a chip resistant coating. Also features convenient built-in storage space and breaks down easily for storage and transportation.

Features and Function

- Interated supplies storage in back
- Large area for custom artwork
- Commercial grade steel construction
- Easier access than the pedestal stand
- Greater mobility and extra convenience
- More visible for impulse sales and merchandising
- Chip resistant coating

Plenty of space in the back for storage!

Three-year Warranty Program - All of our Carts are covered with a three-year warranty - the best in the business.
