Big Stik® Heavy-Duty Immersion Blenders

The high-efficiency variable speed motor that powers Waring's Big Stik® Immersion Blenders drives through the thickest ingredients to produce sauces, batters and soups in just minutes. Complete with rubberized comfort grip and second handle (patent pending), the lightweight, ergonomic design allows for safe and controlled operation during any job, large or small. The easily removable stainless steel shafts are available in five sizes (up to 21") and are completely sealed and dishwasher safe. With the Big Stik® line, you can mix, purée and emulsify up to 50 gallons. Blend smoothly, and carry the Big Stik®.

Features

- **Heavy-Duty Motor** – High efficiency 1 HP motor, 750 watts, 18,000 RPMs processing speed on high
- **Variable Speed Motor** – Unlimited speed adjustment from 5,000 – 18,000 RPMs provides full control and consistency, from light mixing to puréeing and emulsifying
- **Lightweight and Ergonomic** – Rubberized comfort grip and second handle allow for safe and controlled operation
- **Completely Sealed Shafts** – Stainless steel shafts are easily removable and dishwasher safe
- **Continuous On Operation**
- **Versatility** – All five stainless steel shafts are interchangeable with one universal motor housing (Power pack – WSBPP)
- **Limited One Year Warranty**
- **ETL, NSF**

Optional Accessories

Waring makes it easy to do more than one job. The WSB2W attachment quickly transforms the Big Stik® into a whisk, creating any consistency and mashes potatoes. The clamp lightens the load for hands-free storage option.
